Dear Admiral Turner,

I know you will be happy to hear that your people did a superb job in supporting the Defense Nuclear Agency in the performance of recent [ ] research. Of particular value to us was the highly effective manner in which necessary CIA resources were brought together when it became clear that timely and responsive actions were needed to complete the mission. The staff of the Nuclear Energy Division was willing to commit long hours and to provide the cooperative atmosphere which made a tough job a very successful one. Please convey my special thanks to [ ] [ ] for his vital contributions.

It is always a great pleasure for me to pass on my sincere appreciation to those who have put forth that extra effort, and to say thank you for a job well done!

Sincerely,

*Bob*
